\*\*\*Remember each flight has a weight restriction

\*\*\*185 can carry total weight of passengers and gear of 705 lbs

\*\*\*Beaver can carry total weight of passengers and gear of 1100 lbs

\*\*\*Noresman can carry total weight of passengers and gear of 1700 lbs

\*\*\*Passengers and gear will be weighed before boarding, extra weight will mean an extra flight at your cost, so pack light.\*\*\*

**All efforts will be made to reduce your cost flying costs by splitting the flight with another party one way or both ways.**
